

NATHAN BROWN

OBJECTIVE

To find employment in web design. To work in an environment where I can work my way forward to a senior position. To advance my knowledge of web design techniques.

EXPERIENCE

I have 3 years experience designing, coding and maintaining web sites for online communities. I am currently volunteering my services to [Job Futures](#) building web sites for non-profit community based organizations.

I have gained experience in the following areas:

- Search Engine Placement
- Cross Browser/Platform Compatibility
- Online Community Development

EDUCATION

1997 - 1998	Gold Coast Institute of TAFE <i>Adult Tertiary Preparation</i>	Gold Coast, QLD
1998 - 1998	Southern Cross University <i>Bachelor of Information Technology</i>	Lismore, NSW
1999 - 2000	Gold Coast Institute of TAFE <i>Diploma of Information Technology</i>	Gold Coast, QLD

INTERESTS AND ACTIVITIES

I spend my leisure time designing fan sites, playing video games, listening to electronic music and of course net trawling.
